DEDICATION

We, the seniors of the Class of '45, take great pride in dedicating this annual to Mr. Wysong, our Trustee.

We shall always remember his friendly smile and fighting spirit and use them as guides in the days to come.

—Fritz Wolferman

To M.H.S.

Good-by, old M. H. S.
We're leaving you today,
To strive for higher goals
Along life's great highway.

Our spirit is undaunted,
As our future we behold;
For things we here accomplished
Mean more to us than gold.

Now our paths will separate,
For our school days soon will die;
But in spirit let us stand
As the Class of "45".

(Anonymous)

In memory of a dear friend, we, the Class of '45, dedicate this page to Ortie Leeman, who served faithfully as janitor for two years in M. H. S.

Class Prophecy

Having just received our vacation from Kru Hospital, we decided to make a tour of New York. As we step aboard a sight-seeing bus, who should be driving but Bill S.? He gave up his idea of being a farmer and came to the big city to live. You can guess who the guide was—no one else but Clifford R. They soon informed us that a few of our classmates were also in town. Passing a corner drug store, we learned that Kenneth Ryman was Chief Pharmacist there. Wanting to visit him, we descended to the sidewalk and entered. Immediately Kenny snapped on the radio and informed us that "The Hour of Charm" would soon be on, starring Betty M. Tom. Upon leaving, we encountered Lois Jessop airing her latest.

Being quite tired, we stopped in at the U.S.O. There we found Paul Becker, Bill Brown, Charles Haab, Bill Little, Bob Fox, Fritz Wolferman, Ray Sorensen, and Duane Scott, who have been brought together by an act of fate. Of course, we had quite a bit of inquiring to do. From Charles we found out that Marilyn Fuller was still in college. Bill informed us that Pat Stookey is working part-time in a dentist's office.

Starting on our way again, we came to a large hospital. Entering it, we came upon a very charming receptionist who turned out to be Gwendolyn Kreider. Continuing along the hall, we viewed Mary L. Hamman examining a bug through a microscope. Coming from the opposite direction, we saw a tall doctor in a surgical gown. As he approached, we discovered it was Philip Whirledge on his way to perform an appendectomy on the former Phyllis Evans.

Out in the air again, we decided to stop and have our hair fixed. Seeing a sign topped, "Dausman's Beauty Nook," we took a chance on it being the Dausman we knew in school. It was. There was Opal slaving away in the midst of pin curls, finger waves, etc. There, we had the luck of meeting another one of our classmates, Marilyn Gardner, assisting her. After an hour of visiting we strolled farther and spied a bright red sign reading, "McDonald's Gym." She certainly lived up to her part in the "Mad Hatters," as we found her busily working with dumbbells, Indian clubs, etc.

We certainly thought our vacation had been most satisfactory, for we had seen so many of our old friends. So here we go back at our twelve-hour duty with many happy memories.

M.H.S. Athletics

1944-45

The years 1944-1945 were very successful for MHS from the athletic viewpoint. The '44 track team was undefeated in four dual meets, and their first sectional point was scored by Fritz Wolferman, who took third in the shot-put.

The softball team went through its county schedule undefeated for the second straight year, although they were beaten by Topeka for their first loss in twenty games.

In basketball, we had a record of 14 wins and 8 losses, which is the best in a number of years. The Trojans were county runners-up for the second year in a row. There are a number of seniors on the teams but there are also a large number of underclassmen, and MHS can look forward to many more good seasons in the future.

PLAY-OFF GAME

Milford	1	Atwood	0 (nine innings)

This season makes the third consecutive year Milford has won the county championship, and the second in which they were undefeated in county play. The team record for county play in those three years is 19 wins and 1 loss. The defeat was at the hands of Pierceton. It was a 3 to 2 game which went nine innings.

Softball Personnel

BILL STIEGLITZ

Bill has been catcher on the team for four years. He is the outstanding catcher of the county. Despite the fact that he is rather small, he is one of the heaviest hitters on the team, never batting under .300, and leading the team in '43 with .458. In his sophomore year, Bill was voted the most valuable player on the team. Bill is a senior and will be greatly missed next year.

FRITZ WOLFERMAN

Fritz is the only other member of the team that has played four years. In his freshman year, he played field, but as a sophomore, he started pitching and that is where he stayed. Fritz has several no-hit games to his credit, and in addition to his pitching he led the team in batting in '41 and '44. He was voted most valuable in '43 and '44. Fritz is also a senior.

PAUL BECKER

Paul has played first base two years. He started as an outfielder in his freshman year, did not play as a sophomore, and took over first as a junior. Paul is a clutch hitter and his excellent fielding has pulled several games out of the fire. He will also be lost by graduation.

BILL LITTLE

Bill is our speedy little shortstop and has also played three years. He covers a lot of ground and has a good arm. Bill was second in batting this year. Another senior.

JOHN MICHEAL

John can play practically any position. This year he played second base. He is only a junior and will be valuable next year.

HARRY DOTY

Harry is another man who can play any position. He played shortfield for two years and was moved to third base this year. Harry is also a junior and if he is not in service will come in very handy next year.

JUNIOR GROVE

Junior is noted for his fielding and those long left-handed drives. He is a junior and will be a valuable cog in next year's baseball machine.

CHARLES HAAB

Charles plays center field and is famous for his powerful right arm and the throws he makes with it. . . . Senior!

BILL BROWN

Bill is also an outfielder. He did not play until his junior year, but once he started he proved his worth. . . . Senior!

DONALD WOLFERMAN

Don is a freshman, but he plays like a veteran. He plays field and pitches. He should take up where Fritz left off . . . and pitch us to at least two more championships.

BOB HURD

Bob is another junior. He played shortfield and can cover a lot of territory. Bob is also very fast on the bases. Another valuable man for next year.

BILL SPIECHER

Bill is the only other freshman on the team. He is an excellent fielder and a good hitter. Should be a regular next year.

PHIL SNYDER

Phil is also another handy-man of the team, playing either outfield or infield. He is a junior and will figure in the molding of next year's team.

•

Dale Pocharscky and Warren Rusk are also juniors. They did not start until this year and did not see much action, but gained experience for next year.

•

Junior Chupp, Kieth Troup and Eldon Homan were the sophomores on the team. Junior and Kieth will be back next year; Eldon joined the Navy.

Varsity Personnel

HARRY DOTY

"Toad," a junior, filled a regular guard position. His specialty was long set shots, which served to pull many defenses out of position. If he goes into service, he will be greatly missed next year.

PAUL BECKER

"Beck," as a guard, was adept at starting plays. He also drove close to use his one-hand push shot. This was Paul's second year as a regular and his experience helped give the team confidence.

FRITZ WOLFERMAN

Fritz has the distinction of being the only player on this year's team to have served for four years on the varsity, and was captain his senior year. Playing at center, he displayed outstanding ability in taking rebounds, setting up pivot plays, and hitting the hoop. Fritz has been top scorer.

CLIFFORD REPLOGLE

"Bean" held a regular forward berth during the last semester. His aggressiveness and natural ball handling ability made him a valuable asset to the team. His spirited play will be missed next year.

BILL STIEGLITZ

Bill added speed to the team when he was at the forward post. His resourcefulness in outguessing the opposition and stealing the ball from a dribbler were his greatest abilities. Bill was small but proved himself mighty.

BOB HURD

"Doc" was the other junior on the varsity. His height made him a versatile player, making him valuable as a fordward or guard. He also served at center when needed.

RAY SORENSON

"Nick," although the smallest player on the squad, held a regular forward berth. His uncanny basket eye, speed, and elusiveness served the team well. He was usually the first man under the basket on the fast break. Ray served only one year but he saved several games for Milford.

CHARLES HAAB

"Perry" was handicapped with a trick knee, but he could play guard or forward with equal ability. When aggressiveness and "fight" were needed, he had that extra punch. He was a close rival of Doty and Becker in his ability to make free throws.

BILL BROWN

Bill came here from New Paris for his junior year. He had no basketball experience prior to that, but his intense interest helped him develop as a player. Bill was the tallest man on the team.

BILL LITTLE

Bill could be counted on as a good set shot. He was also generous in setting up other fellows' shots. Although Bill had no varsity experience previous to thi sseason, he quickly adapted himself to the fast break.

WON, 9 ★ LOST, 8

MILFORD—27 ETNA GREEN—43

NOVEMBER 3. The MHS Trojans were hosts to the Cubs of Etna Green for the opening game of the season. A large crowd was on hand to see Hurd, Wolferman, and Stieglitz boost Milford into an early lead, 9-5, at the one-quarter mark. In the second period, the Cubs began playing in earnest and soon took the lead. They increased their margin to 4 points, 19-15, by half-time. In the third quarter Slabaugh scored relentlessly to widen the gap, 33-22, and going into the final stretch he accounted for several more points to boost his total to 23 points for the game. Wolferman led the Trojan scorers with 12 points.

The MHS second string proved themselves capable of winning by downing the Etna reserves, 19-5.

MILFORD—32 SYRACUSE—50

NOVEMBER 10. Our varsity boys met with their second disaster in as many starts tonight, as an invading Syracuse five scored from anywhere and everywhere, to gain a 50-32 victory. Bill Little scored our only point in the first quarter as the Yellow Jackets eased into a 16-1 lead. The second quarter was more like a ball game, even though the Trojans couldn't halt Syracuse scoring, they did begin scoring themselves. A 29-11 half-time score soon was increased by both teams to read 40-20 going into the final stretch. In the last quarter, the Milford boys were able to outscore the Syracuse five by 2 points, but they still held a 50-32 lead at the end.

Weingart topped scoring with 14 points, while Wolferman gathered 11 for Milford.

The Syrauce reserves made it a perfect Syracuse evening by winning 26-14.

MILFORD—45 BEAVER DAM—47

NOVEMBER 17. The team journeyed to Beaver Dam tonight, only to take their third straight loss of the season. It was a very close game all the way, neither team holding a lead of more than 4 points at any time. The Trojans held a 1 point lead at the half, but lost it to the Beavers at the three-quarter mark. In the final period of play the boys from Beaver Dam held their 2-point lead to win 47-45. Ummel took high scoring honors with 23 points. Wolferman and Doty gathered 14 points for Milford.

The Milford reserves won their second game, 27-26.

MILFORD—42 LEESBURG—34

ON NOVEMBER 22 the Trojans invaded the Leesburg gymnasium and scored their first win of the season against the Blue Blazers of that school. The game started fast and close but Milford held the edge 12-11 at the first rest period and increased it to 24-15 by half-time. The last half was played on nearly even terms, but the Trojans managed to hold a substantial margin for a 42-34 win. Wolferman was high scorer of the game, with 18 points. Hurd was next in line with 8 points and Sorenson and Little each made 4. Yeiter topped Leesburg, with 12 points.

The Milford reserves won again, 21-17, on a last quarter scoring spree.

MILFORD—44 NEW PARIS—39

NOVEMBER 24. The boys wearing the *Blue and Gray* of MHS chalked up their second victory of the season tonight by topping New Paris, 44-39, in the latter's gym. The Cubs were very persistent in the first half of the game, not letting the Trojans get more than a 4-point lead until just before the half-time intermission, when Sorensen and Wolferman each connected on a field goal to boost the Milford lead to 20-13. In the second half of play, Kirkdorffer kept the New Paris lads in the game on a remarkable display of one-hand long shots, of which he made five, to give him a total of 18 points. Wolferman was top scorer for Milford with 14 points, while Doty and Sorensen each collected 8.

The MHS second string players made it an all-Milford evening by winning their fourth game in five starts, 30-16.

MILFORD—35 MENTONE—33

NOVEMBER 28. Tonight was another lucky night for both Milford teams. The varsity, by starting a very fast game, managed to grab a 2-point lead early in the first half and increased it to a 22-15 lead by half-time. The third period saw Witham score several times to bring the Bulldogs within two points of the Trojans. In the final quarter, the Milford boys played very slow and deliberate, making every shot count. While doing so, they managed to score only six points, but they held control of the ball for over five of the eight minutes and held the Bulldogs to 6 points, which wasn't quite enough to overcome the Milford lead.

The Milford seconds displayed plenty of scoring power as they whipped the Mentone seconds, 32-21.

MILFORD—60 NORTH WEBSTER—46

DECEMBER 1. A blistering second half offensive gave the MHS Trojans their fourth straight victory. The Trojans from Webster scored from all over the floor during the first half, giving them a 33-25 advantage starting the third quarter. As soon as the tip-off began play in the final half half, the Milford boys went to work. They scored 12 points in the third quarter while holding Webster to 4. With the score tied at 37-all starting the last eight minutes of play, the boys in *Blue and Gray* really went to work in earnest and scored 23 points to give them a 60-46 win. Wolferman was high scorer with 27 points, the highest individual score in any one game this year. Beezley of Webster got 16 points and White was close behind with 15.

The Webster seconds proved too strong for the Milford reserves, winning by a score of 31-26.

MILFORD—33 BOURBON—32

DECEMBER 8. The Trojans traveled to Bourbon tonight minus Fritz Wolferman, who was too sick to play. Overcoming a 12-6 first quarter deficit, the Milford boys caught Bourbon asleep as Sorensen was on the scoring end of a fast break several times in succession. Opening the second half with a 21-17 lead, the Trojans still had the Comets baffled enough to increase their lead to 31-21. In the final quarter, however, the Comets recovered and went to work but they fell short of a victory as the game ended with Milford holding a 33-32 edge.

The Bourbon reserves were much too strong for the Milford seconds, winning 34-20.

MILFORD—53 LEESBURG—40

DECEMBER 22. The Blue Blazers came to Milford tonight in hopes of gaining revenge for a defeat suffered at the hands of the Trojans earlier in the season. The Leesburg lads hung very determinedly to these hopes, keeping within a few points of the Trojans until the third quarter when all five Milford players scored at least once, and Wolferman hit on four field goals to give the Trojans a substantial lead which they held to the end.

The Milford reserves lost a close one to a wide-awake Leesburg second string, 17-14.

MILFORD—26 SYRACUSE—48

JANUARY 5. The Trojans traveled to Syracuse tonight in hopes of gaining revenge for the crushing defeat suffered at the hands of the Yellow Jackets the first of the season, but were definitely denied that privilege as the tall boys from Syracuse took an early lead and were ahead 13-3 at the one-quarter mark. But the Trojans were not so easily discouraged as they proved in the second quarter by trimming the Yellow Jacket margin to 6 points by half-time. In the third period Hoopingarner connected on four field goals and sent the Yellow Jackets well into a lead which they held to the end of the game. Weingart, Rapp and Hoopingarner each scored 12 points, while Wolferman was high point man for Milford, with 10.

The Syracuse reserves were too powerful for the MHS seconds, winning the preliminary, 27-19.

MILFORD—39 PIERCETON—43

Milford's Trojans met their second defeat in a row tonight, being downed 43-39 on their home floor. The MHS lads started fast and held a 20-17 lead at the half, but they wilted in the final quarter and were beaten.

Snodgrass was high scorer for the game, with 16 points. Wolferman was close behind with 14.

The Milford seconds were beaten, 21-28.

MILFORD—34 MIDDLEBURY—42

Our Trojans met their third consecutive defeat tonight when they met the Elkhart County champions. It was a close game and kept a large crowd on edge all the time. Milford again started fast and held a 20-12 lead at the half. Middlebury put on a fourth quarter rally and overcame the lead to win.

Wolferman led Milford scoring and G. Miller paced the Middies.

Middlebury took the preliminary, 32-21.

MILFORD—44		LEESBURG—28
MILFORD—42	*County Tourney:*	MENTONE—32
MILFORD—32		SYRACUSE—55

The Trojans had their first really lucky break of the season when they drew Leesburg in the "bye" game of the County Tourney.

Against Leesburg, in their first tourney game, the Trojans were very slow in getting started, trailing the Blue Blazers by one point at half-time. In the second half the Trojans led by the insistent scoring of Becker, who hit on six field goals, soon took the lead and held it until the end of the game for their first 1945 tourney victory.

In the semi-finals the MHS Trojans won over a favored Mentone team, 42-32. After a first quarter deadlock at 10-all, the Trojans managed to pull into a 3-point lead by the end of the first half. It was in the third quarter that the boys in *Blue and White* really gained the winning margin when each member of the starting five connected on at least one field goal. In the last quarter the Trojans held onto their lead to win, 42-32.

The final game of the 1945 Kosciusko County Tournament saw the Milford Trojans pitted against the undefeated Syracuse Yellow Jackets. The first half of the game was very close until in the closing minutes of the second quarter the Yellow Jackets gained a five-point lead, 22-17. It was in the third quarter that the Trojans met with disaster, when they couldn't keep Syracuse from scoring and the Yellow Jackets gained their winning margin. The final period was rather evenly played, neither team scoring many points, but the Yellow Jackets kept the lead to win, 55-32.

Becker led Milford scoring, with a total of 35 points during the tourney; Wolferman was next with 26, and Doty was close behind with 23.

MILFORD—50 CONCORD—40

JANUARY 26. In the first game after the tourney, the Trojans got back on the victory trail by downing the Concord Minutemen, 50-40. After a first quarter tie of 5-all, the Trojans found the range and gained a substantial 23-12 lead by the end of the first half. In the third quarter the Trojans increased their lead slightly, but in the final period the Minutemen staged a rally that brought them within 10 points of the Trojans when the time ran out, with the score reading 50-40 in favor of the MHS team.

Doty was high scorer of the game, with 14 points, while Snell led the Minutemen with 12.

The Milford second squad made it a perfect evening by winning their game, 299-917.

MILFORD—43 CLAYPOOL—30

The Claypool Knights gave the Trojans a run for their money before succumbing to the onslaught, 43-30. The first quarter ended in a 9-9 tie and at half-time the score read 16-16. It was in the third period that Replogle and Wolferman, scoring three field goals apiece, sent the Trojans into a 32-24 lead. In the final quarter of play, nearly every Trojan on the floor scored at least 2 points, to boost their total to 43 points and their tenth victory of the season.

Wolferman was high Trojan scorer, with 17 points, followed by Replogle with 11 and Becker with 7.

Warren led his team-mates with 13 points.

The Milford reserves easily won their game, 35-11.

MILFORD—43 NORTH WEBSTER—29

FEBRUARY 3. Sorensen, forward; Wolferman, center; and Doty at guard, scored 14, 13, and 12 points, resepectively, to account for 90 per cent of their team's points. After a 4-2 first quarter score, the Trojans increased their lead to 13-9 at half-time. The third quarter was much faster, but the Milford boys managed to increase their advantage and in the final period they held their lead to win 43-30.

The Milford reserves won the preliminary game, 44-35.

MILFORD—44 LAPAZ—33

FEBRUARY 9. The Trojans journeyed to Lapaz tonight to tangle with the Vikings of that city. The game started very slowly but as it proceeded it got faster and rougher. The score at the end of the first quarter was 7-6 in Milford's favor and at the half, 16-14, also in Milford's favor. The Trojans really started the ball bouncing in the third quarter and they went into the lead, 28-21. In the fourth quarter, Replogle, Wolferman, and Stieglitz fouled out. Lapaz also lost three men via the foul route. There were forty-nine fouls called in the fray.

The Lapaz reserves were too strong for our boys and won, 34-26.

MILFORD—34 ATWOOD—28

FEBRUARY 16. Playing in the Etna Green gym, the Atwood Greyhounds proved themselves very worthy players and caused the Milford boys considerable trouble before succumbing to the Trojan Victory March, 34-28. The first half was rather slow as the Greyhounds led 10-6 after eight minutes of play, and 18-12 at the half-way mark. In the third period, the Trojans rallied and came to within one point of the Atwood boys and as the last quarter progressed, they gained the lead to win their fifth staright game. Wolferman got 10 points, Replogle 9, and Doty 8, to lead the scoring, and Marsh led the Greyhounds with 7 points.

The Trojan reserves were 17 points too strong for the Greyhound seconds as they won the preliminary, 30-13.

Sectional Tourney:

MILFORD—57 LEESBURG—45

MILFORD—29 SILVER LAKE—47

In the first round of the Sectional Tourney at Warsaw, the MHS Trojans proved for the fourth time this season that they could down the scrappy Blue Blazers from Leesburg. The Leesburg boys played very good ball and managed to keep close until the closing minutes of the first half, when Sorensen hit on three successive field goals, to send the Trojans into a 28-20 lead. During the course of the second half, the Blue Blazers were weakened by the loss of their entire starting five on personal fouls, but the reserves played a very good game, always keeping within reach of the Trojan lineup which was also riddled with substitutions. But the Blazers didn't have quite the necessary power to start a rally and were finally downed, 57-45.

The Trojans took an early lead against the Silver Lake Ramblers in their second sectional game, leading 11-8 at the one-quarter mark. But in the second period, the Ramblers staged a rally which gave them a 20-14 half-time advantage. In the third quarter, the Ramblers began to display their marksmanship as they increased their lead to ten points and in the final period they couldn't miss, as the entire team connected on field goals, to give them the 47-29 victory which eliminated the MHS Trojans from further sectional competition.

During the two sectional games, Wolferman scored 25 points, followed closely by Sorensen with 22 points, 17 of them in the Leesburg game. Doty had a total of 11 points and Little and Becker each scored 10.

Bill: You mean sponsor, don't you?
Fritz: Oh, ya, that's right.

Bill L.: Do you know why they call sailboats "she"?

Scott: Sure; they make a better showing in the breeze.

M-H-S

Teacher: And why did Noah take two of each kind of animals into the ark?

Bright Child: Because he didn't believe the story about the stork.

M-H-S

A cute number from St. Paul
Wore a newspaper dress to a ball,
But caught on fire
And showed her entire,—
Front page, sport section, and all.

M-H-S

Why is the truck called the family car?

Marilyn F.: Because it has a muffler for dad, a hood for mother, and plenty of rattles for ME.

M-H-S

Becker: How did you like the gal I dug up for you?

Brown: As far as I'm concerned, you can bury her again.

M-H-S

Opal D.: What became of all of those love triangles?

Charles H.: Most of them turned into wreck-tangles.

M-H-S

Bike: If one cuts an artery, what happens before he bleeds to death?

Johnnie M.: He would faint.

M-H-S

Mr. Young: Go upstairs and get my wrist watch.

Marion: Wait a while and it will run down, pop.

M-H-S

Bike: I wish you would ask questions to show that you are interested.

Brown: What time is it?

M-H-S

Proud papa, upon seeing the first grade teacher, said: "I'm glad to know you; I'm the father of the twins you're going to have next September."

M-H-S

Bill L.: Do you know why fire trucks are always red?

Pat S.: No, why are they?

Bill: A fire truck has four wheels and eight men; four and eight are twelve; there's twelve inches in a foot; one foot is a ruler; a ruler was Queen Elizabeth; Queen Elizabeth is the largest ship on the sea; the sea has fish; fish have fins; finns are fighting the Russians; Russians are called Reds; fire trucks are always Russian . . . therefore, fire trucks are always red.
